

# CSA Norway Annual Report 2018

CSA Norway has continued the tradition of arranging member meetings in Oslo. In addition it has become a part of four party cooperation with ISF Norway, ISACA and Dataforeningen to arrange member meetings in Trondheim and Bergen. CSA Norway has also successfully arranged two CCSK courses, with a total of 50 attendees. This has produced a positive increase of the balance.

## Economy and Sponsors

CSA Norway Chapter is a not-for-profit, non-governmental organization with no personal membership fees. Small and medium-sized enterprises (SMEs) may become national corporate members of CSA Norway by paying a membership fee.

We currently have three national corporate members; Basefarm, Devoteam and Data Equipment.

## Budget

We have a limited amount of fixed costs and focus on having variable costs. CCSK courses has produced a net increase of income.

## Accounting

The accounts show that we have a **positive result of NOK 109 213** for the year 2018.

The inbound balance at the start of the year was NOK 54 949, so our balance as of 31.12.2018 was NOK 164 162.

We are using the cash basis of accounting (kontantprinsippet), so the result does not include the VAT effect since this will be reported yearly.

See attached overview of the accounts.
